

Nepal Flash-Flood Emergency Relief Report

Organization: AMURT

Subject: Relief Operations for Flood-Affected Families

Reporting Period: 2 September – 1 October 2026

Areas Covered: Kathmandu, Rasuwa and Nuwakot Districts

1. Introduction

The recent Rasuwa-Bhotekoshi Flood in Nepal has caused great hardship. Devastating floods tore through the region, destroying everything, including roads, bridges, and communication lines in their path. Countless families have been devastated and are still without adequate food, clothing and essential household items. In response, AMURT began relief operations on 2 September 2026. This report documents the activities carried out during the reporting period.

2. Objectives

- To provide emergency food supplies to flood-affected families.
- To distribute clothing, utensils and hygiene items to meet basic household needs.
- To support the continuity of children's education through the provision of learning materials.
